★Popular Plan★ Excellent effect for diet! ?

Yasugamine Snowshoeing 9:00~15:30

■Fee : 2~4pax@9000 5~9pax@6000 Above 10pax@5000

include Snow shoes rental • Bath

JAN-Early MAR

■Reservation in advance : 0266-68-2100 (Ikenotaira Reservation Center)

In winter, metabolism rises and it is good timing for diet!
In addition, snowshoeing consume 2-4 times of energy more than normal walking.

◎Custom ★Rental(extra charge)

★Outer

Upper and lower part of snow wear or Gore-Tex material. Highly waterproof and durable.

Inner wear

With Heat retention function, Can be wear with rain wear.

Underwear

Fast-drying polyester material. Cotton materials are not easy to dry so it is not recommended, as sweat will retain and gets cold. Heat Tech also okay!

Hat / neck warmer etc.

Prevent your ear and neck to get cold. Cover the mouth with a neck warmer to prevent the inhale of cold air.

★Sunglasses or goggles

It is dazzling when walking on the snow. Sunglasses for running is also okay,

★Glove

Thick one for ski or snow board.

Snow boots or trekking shoes + spats

Even wearing snow shoes, feet buried in snow, snow boots are waterproof trekking shoes. Wear spats is also okay! Trekking shoes is warm. Please wear with low socks.

Notice of clothing

Jerseys, trainers, jeans, etc. are not suitable as they are no durability / heat retention. If you get down jacket, the sweat retain after moving, the sweat will get your body cold. When you stop moving (resting/lunch), it is better to keep it in bag.

◎Things to bring

Warm drinks in thermos bottle PET bottle have the possibility to get freeze.	Snack Chocolate and candy are recommended ♪ Bananas may get freeze?
Bread / sandwich etc. for lunch Rice ball may also get freeze? Bread is recommended! We will prepare some warm drinks as well.	Rucksack It can keep your back warm, 20 to 30 liters recommended. Adjustment of clothes is essential as not to sweat to cool the body. And can put things in.
Things to warm up during rest It is convenient if you carry a thin jacket etc. In addition, gloves or thin gloves are essential at lunch time.	Sweat towel, bath towel ※ Bathing towels will not be provided. Please prepare by yourself.
Changing cloths After bath	Emergency medicine, sunblock (Regular medicine, bandage, etc.)

~ Notice ~

- Snow shoes walking consume more energy than normal walking. Please bring more snack.
- Except insufficient number of participants or bad weather cancellation till be judged by organizer. In case of light rain, participant can judge by themselves. Cancellation on the day is also acceptable in some situations.
